

## JESUS WE LOVE YOU - Bethel

Old things have [C] passed away  
Your love has [G2] stayed the same  
Your constant [C] grace remains the [G2] cornerstone

Things that we [C] thought were dead  
Are breathing in [G2] life again  
You cause your [C] Son to shine on darkest [G2] nights

You took these [C] rags and made us [G2] beautiful
