

## JESUS WE LOVE YOU - Bethel

Old things have [G] passed away  
Your love has [D2] stayed the same  
Your constant [G] grace remains the [D2] cornerstone

Things that we [G] thought were dead  
Are breathing in [D2] life again  
You cause your [G] Son to shine on darkest [D2] nights

### PRE CHORUS

For [A] all that you've done we will pour [Bm] out our love  
This will [G] be our anthem [A] song

Jesus we [G] love you  
Oh how we [D2] love you  
You are the [G] one our hearts [D2] adore

The hopeless have [G] found their hope  
The orphans now [D2] have a home

You lift our [G] weary head  
You make us [D2] strong instead  
You took these [G] rags and made us [D2] beautiful
